

Applications are now being accepted for 2009 MVP 20/30 Club Board of Trustees/Officers

Applications for the 2009 MVP 20/30 Club Board of Trustees/Officers are now open. All current members in good standing with the club are eligible to apply. Interested applicants should complete and return their 2009 Nomination Form by December 1, 2008. Only completed applications will be considered.

There are five Board of Trustee positions available which hold a three year term. Each trustee holds an office or chairs a committee. Four will be chosen by the Nomination Committee and one will be elected by the General Membership at the January Quarterly Meeting. Those who are interested in being considered should also check the Board of Trustee box on the application to be included on the ballot for the General Membership to vote on in January (in case you are not selected initially by the Nomination Committee).

All current officers and chairs whose terms have not expired should also complete a Nomination Form by the deadline indicating which positions they would like to hold for next year. If applications are not received you will be assigned a position after those positions which have had interest shown for them are filled. All trustees must hold an office or chair position. If you cannot fulfill your commitment on the board for the remainder of your term, please notify Brian Laraway, President, by December 1, 2008 so that the nomination committee may slate your seat.

If you have any questions please e-mail info@mvp2030club.org.

About Mahoning Valley Professional 20/30 Club:

The Mahoning Valley Professional 20/30 Club is a resource to unite young citizens in the Mahoning Valley by providing a network of charitable, educational, and social endeavors. We encourage lifelong commitment to the Mahoning Valley, creating an atmosphere that promotes success by connecting young professionals, fostering positive relationships, and educating members and the community.
