The Mahoning Valley Professional 20/30 Club

The premier organization
for young professionals
living and working
in the Mahoning Valley

Mission

The Mahoning Valley Professional 20/30 Club is a resource to unite young citizens in the Mahoning Valley by providing a network of charitable, educational, and social endeavors. We encourage lifelong commitment to the Mahoning Valley, creating an atmosphere that promotes success by connecting young professionals, fostering positive relationships, and educating members and the community.

History

Since its formation in July 2003, the MVP 20/30 Club has grown to over 100 individual members.

As an independent organization, the MVP 20/30 Club is governed solely by its members: a diverse group of young individuals representing various private, non-profit, and public organizations throughout the Valley, all who seek to develop and maintain strong bonds with each other and our community.

Social Mixers

On the third Thursday of each month, the MVP 20/30 Club extends a social networking invitation to both club members and prospective members.

We connect our members to unique assets in our community, expose events of special interest, and create our own events to build a peer-based network of young professionals in our community who work and play together, for the benefit of the Valley.

Quarterly Meetings

In addition to sponsored events and monthly social mixers, the MVP 20/30 Club also hosts a business and educational meeting each quarter.

Free to all club members, these meetings provide an opportunity for local corporations to introduce themselves to young professionals from the surrounding area, while providing them with an educational service.

Recent meetings have included guidance on jewelry purchase, first-time home buyer information, and financial investment advice.

Philanthropy

The MVP 20/30 Club has forged a partnership with the Community Foundation of the

Mahoning Valley (CFMV). These two groups work together to further the goals of young people as they pertain to bettering our community through service.

The primary fundraising efforts of the MVP 20/30 Club benefit The Young Philanthropist Fund at CFMV. The fund awards grants to local non-profit agencies

based upon the recommendation of club members and YSU students, in partnership with CFMV.

By introducing a new generation to the inherent value of philanthropy and its impact on local organizations, we will better prepare them for their future role as Mahoning Valley philanthropists.
