Young Philanthropist Fund Calls for Grant Applications

Established in early 2006, the Young Philanthropist Fund's goal is to introduce the Valley's younger generation to the role of philanthropy and the fine efforts of our non-profit community, while preparing them for their role as our Valley's future philanthropists. The Young Philanthropist Fund Board is composed of the Community Foundation of the Mahoning Valley staff, members of Youth Leadership, the Mahoning Valley Professional (MVP) 20/30 Club, Youngstown State University, and Community Leaders. The Fund is now making a call for grant applications.

The *Young Philanthropist Fund* Board will review and award grants to any 501(c)(3) organization with a youth-oriented program in the Mahoning Valley. The total disbursement to be given out will be \$3,000. For grant applications, please visit the Community Foundation of the Mahoning Valley's website at www.cfmv.org. Click on the grant tab, fill out the application and return it to the Foundation. All applications must be postmarked by November 29, 2008. Please indicate on the application that you are requesting funds from the Young Philanthropist Fund. Funds will be disbursed in March, 2009.

Reminder: In order to receive funding from the Young Philanthropist Fund, your request must be for a youth-oriented project.
